# Chelsea

The Chelsea is 15' x 34' and ranges from 3'6" to 6' in depth. The lounge area is 8" deep and the step entry is 1' 7 1/2". The circular lounge area, 8' in diameter, is tiled and can have a fountain, return, or umbrella inserted in the center for additional flair. There are two sets of steps on each side of the lounge area, which help to make this modern pool classy and elegant.
